## Notice No. 14

Orphan Well Association  
Operations in City of Calgary

October 20, 2017

### **Lexin Orphan Operations 00/10-13-022-29W4/0**

*Wednesday, October 18, 2017* – Remedial operations continued. Cardium, Milk River and Judith River zones have been completed. Upper formations will be perforated and cemented to isolate geological zones from each other as required by the AER regulations.

*Thursday, October 19, 2017* – Another CBM interval was cemented today after some tool issues delayed operations. Cementing will continue on an upper CBM interval to isolate geological formations.

*Friday, October 20, 2017* – Remedial cementing operations continued. Cardium, Milk River and Judith River zones, as well as two CBM Coal sections have been cement squeezed.

*PLANS* – Further cementing operations on the well are scheduled for tomorrow.
