Association**

## Notice No. 4

Orphan Well Association  
Operations in City of Calgary

September 20, 2017

### **Lexin Orphan 00/11-24-022-29W4/0**

Tuesday, September 19, 2017

The sub surface valve (downhole safety valve) was retrieved with slickline and the tubing isolated with a tubing blanking plug. A back pressure valve was then installed to provide a secondary barrier to the sour gas.

Wednesday, September 20, 2017

Service rig undergoing maintenance and cleaning from prior work. Expected to arrive on Thursday.

PLANS – Move in service rig and associated equipment including all safety equipment as per AER approved Emergency Response Plan (ERP).
